

LAND ARROWS  
CULTURAL CENTER

Dear Friends:

My name is Ramona Landeros, president of Land Arrows Cultural Center (LACC). I want to thank you for taking the time to review our attached proposal. Our work serves to provide programs in our community for at-risk youth. We are a group of adults and youth who are committed to bettering our community. We put in numerous volunteer hours from mentoring youth in sports to visiting young inmates in prison to working with at-risk youth through sports in our community. We organize an annual toy and food drive for the holidays for children who are farm workers or children of parents who work in the fields and/or agriculture. This is a very worthwhile cause that truly represents the spirit of giving. Many on the board were also recipients of mentoring at one time and have now become mentors themselves. I am thrilled to be a part of this program because of its unique and focused effort.

We hope you can see the benefit of your sponsorship. The sponsorship package is attached for the *11th Annual Tejano/ Conjunto Music Festival* on **September 3rd**, 2017 at Cesar Chavez Plaza in downtown Sacramento. Annually, over the last ten years, through the sponsorship and support of public and private contributors or donors, we have been able to share the musical talents, artwork, and diverse Latino culture with the Sacramento Community.

Consider becoming a sponsor at any level. We're counting on your support to help make the 11<sup>th</sup> year the best yet!

For more information you can reach me at 916.529.5299.

We are a nonprofit 501(C) 3 Organization Tax ID No. 26-4088288

Thank you in advance for your support,
